

PRECISION MANUFACTURING

3 & 4 Axis CNC Machines

Vibration-dampened composite superstructure frame with a lifetime warranty — built for MSMEs, engineering colleges and aerospace/defence vendors who need repeatable precision, shift after shift.

ISO 9001 + CE Certified

15–25µm

Tested repeat positioning accuracy

Lifetime

Composite frame warranty

4,000mm

Travel speed/min, 24/7 duty cycle

Machines made for

MSMEs & Manufacturers

Educational Institutions

Aerospace & Defence

Customizable for your needs

- ✓ Single / dual spindle options
- ✓ Manual, pneumatic or auto tool change
- ✓ Mild steel tables & enclosures
- ✓ Mist & flood coolant systems
- ✓ PC or non-PC based controllers

Material compatibility

- ✓ **Soft metals:** aluminium, brass, copper, bronze, untreated EN-grade steel, gold, silver
- ✓ **Non-metals:** wood, plastic, PCB, composites & more
- ✓ **Stones:** marble, granite, sandstone

Machine range

Meteor

Fixed gantry desktop mill for prototyping

Majestic

3-axis gantry mill for production runs

CarbonCut

Built for carbon fibre and composites

Heavy customization available. Full specs and pricing shared on request.

Meteor HD

Heavier fixed gantry built for job shops

Majestic Pro

4-axis gantry mill for contoured parts

PCBProto & PCBMaker

PCB prototyping through to high-speed production

Machine sizes

400 × 300 mm

600 × 400 mm

900 × 600 mm

1200 × 900 mm

Custom on demand

Built for 24/7 operation

- ✓ Non-stop tested: 7 days under load
- ✓ Ideal for multi-shift MSMEs & institutions
- ✓ PCB series is high-volume ready

Plug & play convenience

- ✓ Delivered fully assembled
- ✓ PC-based controllers ship with control PC*
- ✓ No installation required

*Only with Majestic series CNCs

Durability & premium build

- ✓ Composite superstructure — lifetime warranty
- ✓ Italian / German spindles
- ✓ Hiwin / THK guides & ball screws
- ✓ Japanese steppers / American servos

Support & warranty

- ✓ 1 year on standard CNCs
- ✓ 3 years on PCB Precision series
- ✓ Extendable to 10 years (1/2/3/5-yr increments)
- ✓ Pan-India service & AMC options
- ✓ Authorized Teknomotor spindle service

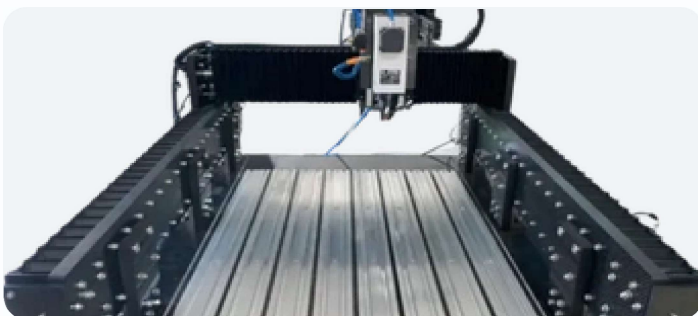

IN Proudly Made in India

75–85% Indian-made components · zero Chinese parts in select models
